

## **NW Maths Hub 3**

### **Primary Mathematics SLE Development Programme 2018-2019**

Following on from the success of the programme in 2017-2018, **North West 3 Maths Hub** are delighted to lead an **accredited CPD programme** for **primary mathematics SLEs**. This programme is open to **ALL SLEs from teaching schools across the NW region**.

This programme will equip SLEs with the knowledge and skills to ensure maximum impact of school to school support. It will enhance their professional development as leaders of mathematics and give them the opportunity to network and share good practice with a learning community of local SLEs.

**The programme will consist of 3 CPD days which will focus on:**

- Exploring in depth the key principles of teaching for mastery
- Providing effective school to school support with a focus on professional learning conversations, leading CPD in schools, identifying school needs, coaching and supporting schools to raise attainment in mathematics
- Keeping up to date with current research and initiatives in mathematics education

#### **Key Dates:**

- Wednesday 14<sup>th</sup> November 2018
- Tuesday 5<sup>th</sup> February 2019
- Tuesday 25<sup>th</sup> June 2019

Venue: to be confirmed

**Attendance at all three events will lead to accreditation by North West 3 Maths Hub.**
